Graphic Design Internship Substance - Hong Kong

Substance is an award winning multidisciplinary brand and design agency with offices in Hong Kong and Paris. We are seeking an spirited young designer to join our agency for a 2 month internship.

What we're looking for

The successful applicant will work directly with the Creative Director to deliver multifaceted design solution for clients ranging from major global brands to boutique start-ups. You will work on various industries that range from hospitality to luxury retail, with no project ever being the same. We're looking for someone with the enthusiasm and curiosity to assist our eclectic designs from print and digital to 3-Dimensional interfaces.

Responsibilities

- Project research, concept development, and production.
- Assist Creative Team on implementing deliverables such as: Digital Design, Print Design, Packaging and Brand Identity.

Requirements

- Proficiency InDesign, Illustrator and Photoshop.
- Knowledge in motion graphics, web programming and 3D design will be a plus.
- Meticulous attention to detail and a great personality!

Allowance: HKD \$4000 / month

Duration: Minimum 8 weeks. Dates can be further discussed.
